

REPUBLIC OF THE PHILIPPINES
CITY OF IMUS | PROVINCE OF CAVITE
OFFICE OF THE CITY MAYOR

EXECUTIVE ORDER NO. 44
Series of 2022

**AN EXECUTIVE ORDER REESTABLISHING THE CITY OF IMUS GENERAL
ALERT- EARLY WARNING SYSTEM OR EWS FOR TYPHOON, HEAVY
RAINFALL, AND EARTHQUAKE**

WHEREAS, it is a declared policy of the State to uphold the people's constitutional rights to life, health, safety and property and to promote the general welfare of its people at all times, especially during disasters and calamities;

WHEREAS, it is likewise the declared policy of the State to institutionalize the policies, structures, coordination mechanism and programs on disaster risk reduction from national down to local levels; recognize the local risk patterns across the country and strengthen the capacity of Local Government Units (LGUs) for disaster risk reduction and management through decentralized powers, responsibilities, and resources at the regional and local levels.

WHEREAS, the Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) is the agency of the government mandated to observe and report the weather of the Philippines and specified adjacent areas, and to issue forecasts and warnings of weather and flood condition affecting national safety, welfare and economy.

WHEREAS, the National Disaster Risk Reduction and Management Council (NDRRMC) is a government entity mandated to establish a national early warning and emergency alert system to provide accurate and timely advice to national or local emergency response organizations and to the general public through diverse mass media; and recommend to the President the declaration of a state of calamity in areas extensively damaged.

WHEREAS, Republic Act No. 10121 or otherwise known as "*The Philippine Disaster Risk Reduction and Management System*" mandates the establishment of a Community-Based Early Warning System to provide accurate and timely advice to national or local emergency response organizations and to the general public through diverse mass media to include digital and analog broadcast, cable, satellite television and radio, wireless communications, and landline communications.

**REPUBLIC OF THE PHILIPPINES
CITY OF IMUS | PROVINCE OF CAVITE
OFFICE OF THE CITY MAYOR**
