Affidavit of undertaking, consent, etc (if necessary)  E. BUILDING PLANS at minimum scale of 1:100m (signed and sealed)  4 sets minimum (binded)  Lot Plan / Location Plan (signed and sealed by geodetic engr)  Architectural Plans (perspective, site plan, floor plans, roof plan, sections, sched. of doors & windows, and details)  Structural Plans (foundation, framing plan, details of column, beams, slabs, trusses & other detls)  Plumbing / Sanitary Plans (plumbing layout, isometric, details, septic tank, catch basin, gen notes)  Electrical Plans (power/lighting layout, load sched. & comp., one line diagram, legends, riser diagram, gen notes)  Fire Protection Plans (sprinkler layout, fire detection & alarm system, wet/dry standpipe & other detls as reqd)
E. BUILDING PLANS at minimum scale of 1:100m (signed and sealed)  4 sets minimum (binded)  Lot Plan / Location Plan (signed and sealed by geodetic engr)  Architectural Plans (perspective, site plan, floor plans, roof plan, sections, sched. of doors & windows, and details)  Structural Plans (foundation, framing plan, details of column, beams, slabs, trusses & other detls)  Plumbing / Sanitary Plans (plumbing layout, isometric, details, septic tank, catch basin, gen notes)  Electrical Plans (power/lighting layout, load sched. & comp., one line diagram, legends, riser diagram, gen notes)  Fire Protection Plans (sprinkler layout, fire detection & alarm system, wet/dry standpipe & other detls as reqd)
4 sets minimum (binded)  Lot Plan / Location Plan (signed and sealed by geodetic engr)  Architectural Plans (perspective, site plan, floor plans, roof plan, sections, sched. of doors & windows, and details)  Structural Plans (foundation, framing plan, details of column, beams, slabs, trusses & other detls)  Plumbing / Sanitary Plans (plumbing layout, isometric, details, septic tank, catch basin, gen notes)  Electrical Plans (power/lighting layout, load sched. & comp., one line diagram, legends, riser diagram, gen notes)  Fire Protection Plans (sprinkler layout, fire detection & alarm system, wet/dry standpipe & other detls as reqd)
Lot Plan / Location Plan (signed and sealed by geodetic engr)  Architectural Plans (perspective, site plan, floor plans, roof plan, sections, sched. of doors & windows, and details)  Structural Plans (foundation, framing plan, details of column, beams, slabs, trusses & other detls)  Plumbing / Sanitary Plans (plumbing layout, isometric, details, septic tank, catch basin, gen notes)  Electrical Plans (power/lighting layout, load sched. & comp., one line diagram, legends, riser diagram, gen notes)  Fire Protection Plans (sprinkler layout, fire detection & alarm system, wet/dry standpipe & other detls as reqd)
Architectural Plans (perspective, site plan, floor plans, roof plan, sections, sched. of doors & windows, and details)  Structural Plans (foundation, framing plan, details of column, beams, slabs, trusses & other detls)  Plumbing / Sanitary Plans (plumbing layout, isometric, details, septic tank, catch basin, gen notes)  Electrical Plans (power/lighting layout, load sched. & comp., one line diagram, legends, riser diagram, gen notes)  Fire Protection Plans (sprinkler layout, fire detection & alarm system, wet/dry standpipe & other detls as reqd)
Structural Plans (foundation,framing plan,details of column,beams,slabs,trusses& other detls)  Plumbing / Sanitary Plans (plumbing layout,isometric,details,septic tank,catch basin,gen notes)  Electrical Plans(power/lighting layout,load sched. & comp.,one line diagram,legends,riser diagram,gen notes)  Fire Protection Plans (sprinkler layout,fire detection & alarm system,wet/dry standpipe& other detls as reqd)
Plumbing / Sanitary Plans (plumbing layout, isometric, details, septic tank, catch basin, gen notes)  Electrical Plans (power/lighting layout, load sched. & comp., one line diagram, legends, riser diagram, gen notes)  Fire Protection Plans (sprinkler layout, fire detection & alarm system, wet/dry standpipe & other detls as reqd)
Electrical Plans (power/lighting layout, load sched. & comp., one line diagram, legends, riser diagram, gen notes)  Fire Protection Plans (sprinkler layout, fire detection & alarm system, wet/dry standpipe& other detls as reqd)
Fire Protection Plans (sprinkler layout, fire detection & alarm system, wet/dry standpipe& other detls as reqd)
Electronics Plans
Mechanical Plans
F. SUPPORTING DOCUMENTS  Structural Analysis & Design for all bldgs/structures except 1 storey and single detected
Structural Analysis & Design for all bldgs/structures except 1 storey and single detached
bldgs and structures with a total floor area of 20 sq.m. or less (2 sets)
Boring/Soil Test for 3 storey and above (2 sets)
Electrical analysis (2 sets)
Pcab Liscence (if main is above 200amps) (2 sets)
Photocopies of PRC IDs & PTRs (3 sets)
Specifications (4 sets)
Bill of Materials / Cost Estimate (4 sets)
ortant Reminders
PROVIDE PICTURES OF THE PROJECT DURING THE ON GOING CONSTRUCTION AND AFTER THE COMPLETION OF THE CONSTRUCTION
City Ordinance - <i>Cert. of Occupancy</i> shall be issued only after the owner <b>planted a tree</b> in his lawn or garden
PLANS & DESIGN MUST COMPLY WITH ALL OF THE PLANNING AND DESIGN REQUIREMENTS UNDER THE IRR
OF THE NATIONAL BUILDING CODE INCLUDING THE FIRE CODE THE PHILIPPINES AND THE ACCESSIBILITY LAW (BP 344)
Required minimum unpaved area
a. residential 10 % of lot area Note:
b. commercial 5 % of lot area A. Incomplete documents will not be accepted.
c. industrial 10 % of lot area B. Submit all documents in a long expandable
d. institutional 20 % of lot area plastic envelope
